

The Mystical Qabalah

Dion Fortune's Mystical Qabalah remains a classic in the field. She explores all aspects of the Qabalah—whose disciplines include the esoteric sciences of astrology and tarot, and forms the basis of the Western Mystery Tradition. Her thorough explanation of the Tree of Life, which lies at the heart of Qabalistic teaching, provides a key to the practical working of this mystical system for both novice and initiate. This revised edition includes an additional chapter culled from Fortune's Inner Light Journal describing the paths on the Tree, an editorial update for contemporary readers, and an easy-to-use foldout containing important diagrams that augment study of the text.
