

The Seven Checkpoints: Student Journal

What if you were told that the secrets of the most awesome life ever could be yours if you just knew seven principles? What if you were told that these seven checkpoints were simple to understand that could start living them within a few short days -- though they would take a lifetime to master? You would at least wonder about them. You might even ask to know them. Well, they are yours. These seven checkpoints are in the book you are holding right now; in fact, they were written down just for you. So what are you waiting for? You have a life to build. Open up this book and get the seven.
