

## The Sky Sports Football Yearbook 2003-2004

Formerly published as Rothmans, the 2003-2004 edition of this yearbook includes up-to-date details for Euro 2004 along with extended coverage of the Champions League. There is a season-by-season players directory and for 2004 there is also increased information on the non-league scene. Full match statistics for English and Scottish league and cup games combined with all home and international fixtures should make this a useful guide to the season.
