

## The Ties That Bind: A Ro Davis Mystery

A sixteen-year-old psychic medium risks exposing her ability to family and friends if she helps a ninety-six year-old woman find her long-lost sister. The arrival of her former boyfriend, the guy she thought was Mr. Right, complicates her decision. She could have him back if she's willing to turn away from her gift and turn away from a guy she always thought was Mr. Wrong. But who's right? And who's wrong? And how can a beginner psychic medium find a woman who died over fifty years ago, leaving no trace?
