

The Vanke Way: Lessons on Driving Turbulent Change from a Global Real Estate Giant

Business and entrepreneurial insights from the founder of one of the worlds most successful real estate companies In The Vanke Way, Chinese real estate mogul Wang Shi provides you with insight into the growth of the China Vanke Company?the worlds largest property developer by revenue?amid the turbulent infancy of Chinas market economy. As the founder and chairman of Vanke, Wangs firsthand account of creating and developing this leading international real estate empire not only showcases the history of the company, but also of his vision in founding and expanding it. Wang shares the lessons hes learned as an entrepreneur and businessman, and reflects on Chinas changing economy, and the international economic role it has come to play. He also gives you practical advice on maintaining professionalism, creating a transparent and mature management system, and developing a professional management team. Above all, he stresses the principles that Vanke has stuck to over the years and that have led to its ultimate success.
