

# The Truth about Spiritual Warfare: Your Place in the Battle Between God and Satan

All sensationalism aside, what is the biblical truth about spiritual warfare? Conservative pastor Mark Corts understands the cosmic battle between God and Satan is very real, spilling onto the earth every day and causing difficult moments in every Christians life. But perception is crucial in the matter. While many see spiritual warfare as a personal attack upon themselves, Corts shows how Satans attacks are always aimed directly at God in an eternal attempt to gain control over His creation. Addressed in that context, readers are inspired all the more to remain faithful and use their lives in defense of Gods good name as the spiritual warfare rages on.
