

## Arielle and the Three Wolves (Siren Publishing Menage Amour)

[Menage Amour: Erotic Paranormal Menage a Quatre Romance, M/F/M/M, werewolves, spanking, HEA] Arielle Banks is a veterinarian living alone in the small town of Wolf Creek. One night she hits a wolf with her car and takes it home to nurse it back to health. The wolf is tame and becomes her only company, a comfort for which she is grateful. A month after the accident, she wakes to find a handsome man has taken the place of the wolf. Jason Wildback is a shape-shifter. After fate brings him to Arielle's house, he fills the void that's been in her life for so long. Their passion for each other grows. There is one catch, though. Jason has two brothers, easygoing Kyle and troubled, chivalrous Luke. Jason wants Arielle to take them on as her mates as well. She can give her body to all three men, but can she give them her heart? Note: There is no sexual relationship or touching for titillation between or among siblings. \*\* A Siren Erotic Romance
