

Tony Sopers Bird Table Book: The Complete Guide to Attracting Birds and Other Wildlife to Your Garden

An all-new edition of this classic Tony Soper work, with completely revised text and brand new illustrations. This book covers everything you need to know about attracting wild birds to your garden, with details of what feed to put out to attract the maximum variety of birds all year round. It also includes nestboxes, pond building and gardening with wildlife in mind, with advice on attracting frogs, newts, toads, hedgehogs, foxes, badgers and other kinds of wildlife to your garden. It is beautifully illustrated with superbly observed watercolours and line drawings, capturing the essence of wild bird behaviour and appealing to the widest possible readership.
