

How to Tie Flies [The Barnes Sports Library]

Author, a recognized authority, describes the methods of construction used by the professional fly tier so that you can make your own flies. In the first part the Tools, Hooks and Materials used in fly tying are described and illustrated. Then step by step the author tells you how to make Wet Flies, Dry Flies, Nymphs, Bass Flies, Feather Streamers, Floating Bugs, and Anglers Knots. The book is concluded with Standard Dressings for 334 Flies.
