

# How To Speak in Public: Broadcasting Course: (For Children ages 12 to 99)

What you have in your hands is a method to learn broadcasting designed in such a way that a 12-year-old, with the help of his or her parents, can understand it and, therefore, a young adult or adult aspiring to start in this profession can also benefit from it. This voice manual will help you improve the way you express yourself and, consequently, acquire broadcasting techniques. Starting with the first page of clear and precise exercises, you will develop this ability, just like in a sport where you gain skills drill by drill. HOW TO SPEAK IN PUBLIC: BROADCASTING COURSE (FOR CHILDREN AGES 12 TO 99), will change you from a voice spectator to a voice actor, practicing while you learn. This book is complemented by online videos made by the author in which he demonstrates some of the books exercises and explains them in detail, making the experience more enjoyable for whoever starts this adventure. Are you ready to start your training?
